Kinky blonde lass Carla (22) knows fuck-all about setting the video.

But that doesn't stop her current fella getting her to do it when all his mates come round. He says he's lost the remote control but Carla knows better.

"It starts with me bending over with my arse in the air and then he makes me put on a sexy floor show for all his pals," says the Cirencester slapper. "I don't mind doing it because I know it's going to be followed by me getting fucked by them in every hole. I love getting banged by a load of big hard cocks one after the other!" We're guessing they love it too!

of her large boobs swaying. I had always fantasized about having sex with a large-breasted woman.

Meanwhile Steve had dropped to his knees and was lapping up the juice from my pussy.

Then to our amazement the other couple beckoned us over.

Steve needed no encouragement as he

led us over. He must have remembered my fantasy because he took my hands and placed them on her boobs.

She responded by sliding her hand down to my cleanly shaven pussy, eventually inserting four fingers into my slot.

This was the first time I had had a girl feeling me up and it felt so good to feel my hot sexed-up juices flooding over her fingers.

I could not miss this chance and I

pulled her to the floor to tumble into a 69 position.

The boys had been rubbing their cocks so we eventually let them join in by sucking them off.

It wasn't long before I felt Steve's cock twitching.

It was perfect timing as both of the boys took their cocks from our mouths and shot their hot sticky spunk over our faces.

My fella Steve and I came across a young couple completely naked in the park.

The woman was knelt in front of the bloke, his cock ramming her throat while he rubbed her tits.

When the girl got up from her knees we knew she had seen us as she gave us a grin.

Then she bent over by a tree and we could hear his balls slapping against her buttocks as he slammed his cock hard up her.

Ferry nice!

I'm a 48-year-old married woman. My husband loves watching me flash so that he can video it.

He suggested a trip on a ferry to Calais for the day so I put on my flimsiest dress and, of course, suspenders and stockings.

On deck my dress was blowing everywhere and my husband got a great look at my juicy cunt.

But he wasn't the only one. There was a man in his early thirties who also noticed the video show. So I let my dress fly everywhere again.

Laughing, I looked back at my husband who had also noticed my admirer.

This turned me on so badly I went nearer to the onlooker. He seemed very impressed with what he had seen.

He was smiling at me so I

let my leg touch his. That was it.

He felt up my leg and looked over at my husband. I suppose he must have given him the nod because then he put his hands around my waist – and under my dress!

I was getting very wet. The stranger slid his hand over my bum.

I could have stopped him but I didn't want to. I let his hand drop down and feel my soaking wet pussy from behind. And of course my husband was watching it all.

He videoed us for a while but then other people started coming on deck. I suggested we go inside to

the bar area.

There was a disabled toilet and I knew not many people would use this so I made my way to it with my new friend following up behind.

Inside he could not wait as he pushed me against the wall. Then my husband came in and locked the door.

There I was with my dress around my waist, stockings and suspenders showing and a complete stranger with his hand down my knickers.

He fingered me and rubbed

all the right places till I was soaked.

I took off my dress and let him suck my tits. He must have been quite excited because he kept biting my nipples.

All the while this was going on my husband was still with us and videoing it.

The next thing I knew I was bent over the basin with a big hard cock pressing against my buttocks.

I looked back at my husband who was also really turned-on. He winked at me and I knew I was going to get a really great fuck.

He pulled my panties to one side, shoved his cock in my wet pussy and grabbed my swinging tits from behind.

It was such a really hard wet fuck and really quick.

He came loudly and very strong as he pumped into me. After the stranger was gone

I grabbed my husband's rock-hard cock and started to suck him off.

It wasn't long before he shot in my mouth and over my face.

What a great day trip that turned out to be.

MEANWHILE...

BEHIND THE SCENES AT ESCORT

Poor old Julia Jones is feeling a bit fragile after a week of partying but we're not showing her any sympathy. We've still got her making the tea, fudging the accounts and opening the post. Speaking of which, send her more to Escort, 2 Archer St, London W1D 7AW.

Letters to Julia

Dear Julia, As usual congratulations on a great men's magazine. You certainly do get a great variety of girls in the contact section. I can never decide which one to write to so I'd like to know who you would write to?
Luigi, Scotland.

Julia says: Personally I'd write to them all but I quite like the look of Joanne from Leeds, she's hot!

Dear Julia, I hope you're hard at it, whatever hard at it in your office entails! I noticed in the Meanwhile pages in vol 29 no 7 you featured a DVD called *Sex Starved Bitches Vol 2*. I understand the star of said film is Lady Josephine who I know from viewing other DVDs isn't as sex-

Joanne

starved as she'd like us to believe. I certainly wish I was young again and could get some of her but I'm writing to ask two things of you? Firstly, do you know where I can purchase the DVD and is there any chance of getting Lady Josephine to appear with her grand bra busters in *Escort*?
Rex, Norfolk.

Julia says: Yes, I'm always hard at it, so much so I forgot to mention the details of where you can get the DVD you desire. You'll be glad to know I have been severely reprimanded for it by the Editor. Log on to www.unionjaxxx.com or just pop down to your local adult licenced shop and ask the nice man behind the counter. As for getting Lady Josephine in *Escort*, we'll see what we can do!

Lady Josephine

JIZZY HEIGHTS!

The Escort gang recently overcame their vertigo and took the elevator to the swish Penthouse club overlooking London's Leicester Square for Harmony's latest night of adult themed debauchery. The esteemed UK smut flick producer's Porn Star Party did exactly what it says on the tin with the likes of Keisha Kane, Mai Bailey and a whole host of other filthy flamers letting their hair down. Along with their knickers. As you'd expect free-flowing booze and cock-hungry sluts are a recipe for utter filth and the lucky punters who came along to meet their favourite adult entertainers didn't leave disappointed. And neither did we although that's dependent on our hefty expenses claim going through!

MOTHER'S FUCKING!

STONE POSES!

Knickerless Delia came up against some very stiff competition on a recent flashing foray. It appears it wasn't just her husband who was rock-hard for her!

No, these aren't the uncensored memoirs of over-the-hill housewife and cook Nigella Lawson which is a shame because if she's as good in the bedroom as she is in the kitchen her hubby's a lucky fellow. *Domestic Sex Goddess* is actually a guide aimed at established couples looking to keep the spark going in their sex lives despite the day-to-day ennui of work, kids and Coronation Street. It's packed full of tips on how to have a bunk-up when you've only got 10 minutes to spare and what to do when your offspring finds a new battery-powered toy in your bedside drawer. It's written by successful sexpert Kate Taylor who learnt the hard way when she got hitched and had kids. A mere snip at £14.99!

REAL WIFE SEX

Chanelle, 26,
Dagenham

Out of work but not out of luck, Chanelle's unemployed hubby doesn't waste his time at home...

When my husband Dave got made redundant I was dreading having him at home all day. I like a bit of time to myself and while we've always had a decent sex life I do like to spend some quality time with my dildo.

With Dave out of work there wasn't going to be any chance of such intimate moments but the plus side was our sex

life went through the roof.

We started to stay in bed in the morning for longer and longer and obviously ended up fucking like bunnies. This was all very well but pretty soon the sex was getting a bit samey so I suggested to Dave that we should spice things up.

I asked him what his fantasies were and unsurprisingly he said he would love to try a threesome. I asked him if

he wanted another guy or another girl to join us and he admitted that he didn't really mind.

He said he got off on the idea of watching another bloke fuck me and then joining in himself. I wasn't so keen with the idea but I said I didn't mind if another girl joined us.

When I was younger I'd had a few lesbian experiments and while I hadn't gone near another girl's twat for a few years I was always up for it. Especially if my husband was involved.

So that was it - we decided on a threesome with another girl. It was just a case of finding one. I didn't want it to

KNOB ALLOW

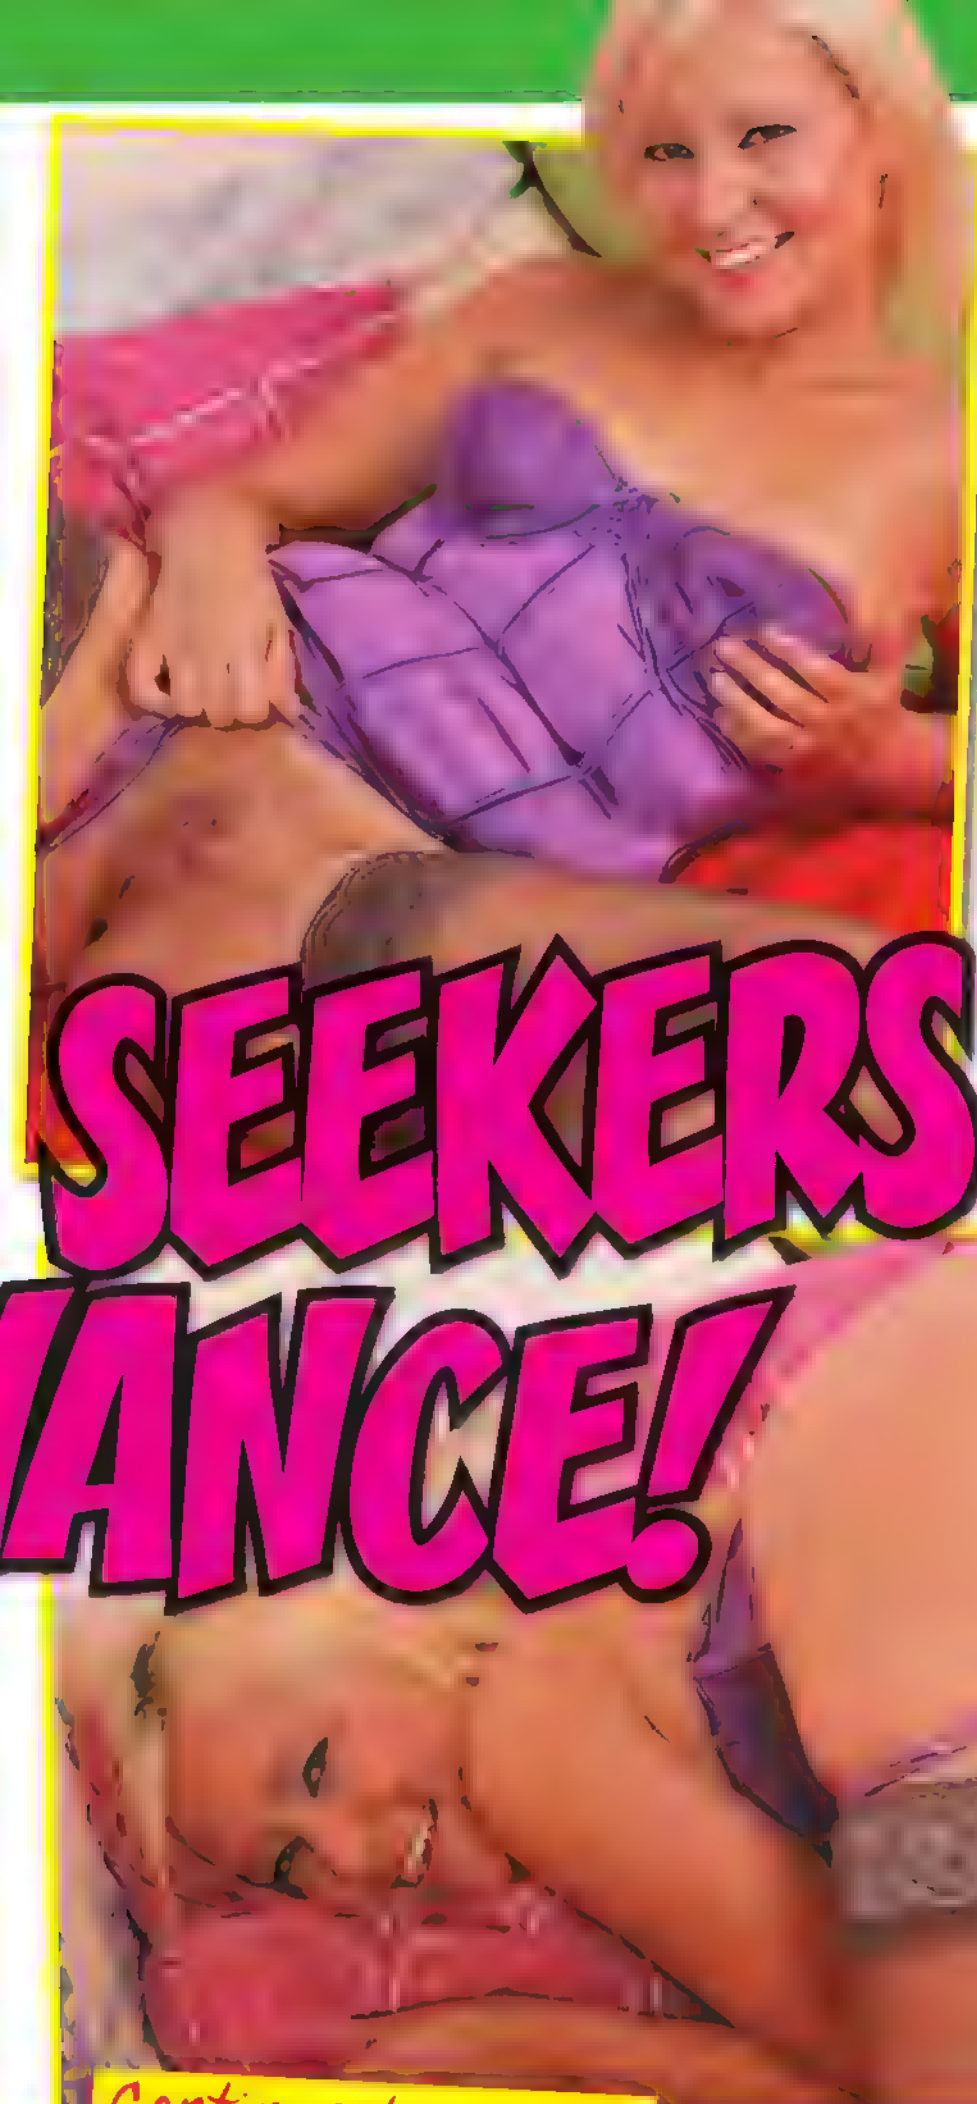

be someone I knew so I said Dave could find a girl.

He obviously had one in mind because a few days later a woman called Nancy turned up at our place. It turned out she used to work with Dave and had been made redundant as well.

"Let's not waste any time," Dave said directing us both to the bedroom and asking us to make ourselves acquainted with each other. Which basically meant undressing each other.

Nancy had lovely round boobs and I had great fun squeezing them. She was more keen on my pussy and started rubbing my mound while we kissed.

Dave appeared to be making himself comfortable in the background. He had

dropped his trousers and I could see his cock rising as Nancy and I continued to embrace.

As we positioned ourselves on the bed I reached to my bedside drawer and grabbed my vibrator. I'd never used one on another woman before.

I flicked the switch and it began to buzz. Nancy opened her legs to show off her clean-shaven slit. I ran the dildo along the edge of it before gently prising her wet hole open.

Very carefully I pushed the vibrating plastic into Nancy's twat. She gasped as it buzzed away in her hole and begged to taste my twat.

**He wanted to see
us both cum!**

I straddled over her face and while continuing to fuck her with the dildo she began licking me out.

Her tongue strokes were deep and frantic, sending shivers down my spine every time she flicked my clit. I looked over at Dave who was glued to the action with his hand wrapped firmly round his stiff cock.

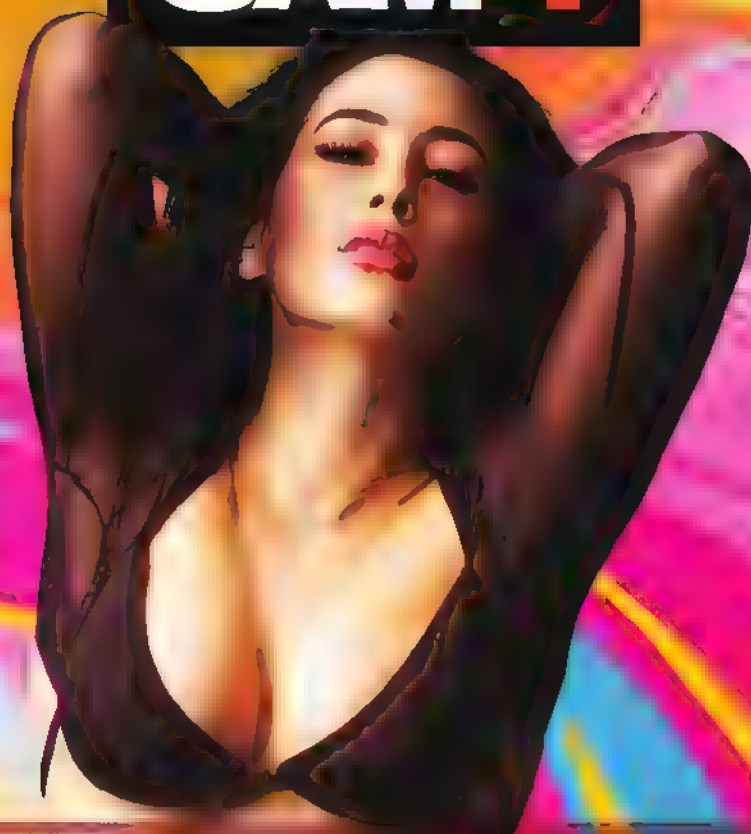

"Want to join us?" I asked. Dave shook his head and told me he wanted to see us both cum first.

With that in mind Nancy started licking my cunt even harder and I shoved the vibrator as deep as it would go. It took a good few minutes but eventually we both had our first orgasms.

The dildo slid out of Nancy's gash amid a stream of her hot juices. I smothered

Dearly beloved, we are gathered here today to witness the uncivil partnership of three of *Escort's* filthiest floozies. Don't worry, brazen brides-to-be Katie K, India and Natalia aren't really throwing away their lives quite yet, they just want to see what all the fuss is about. "I read somewhere that a bride should treat her honeymoon night like it's the first time she's ever had sex," says a not-so-virginal Katie K. "So we're pretending it's our first ever threesome. I've had loads of lezzas lick me out before but I'm imagining India and Natalie are the first. They certainly make like mine's the first twat they ever tasted. Feather dusting fuck-slut Amber (23) is fed up of putting something soft between her legs. The mucky Lanos wife has done her daily chores — and now she wants yours! "My husband is at work and doesn't get home until late but I don't think I can wait that long. What I really need is a big stiff dick that I can shove right up my arse. I've tried sticking all sorts of things up there in the past — dildos, broomstick handles, various vacuum cleaner attachments — but none of them compare with the real thing. If there's one mess I don't mind cleaning up it's a pool of sticky spunk!"

Amber

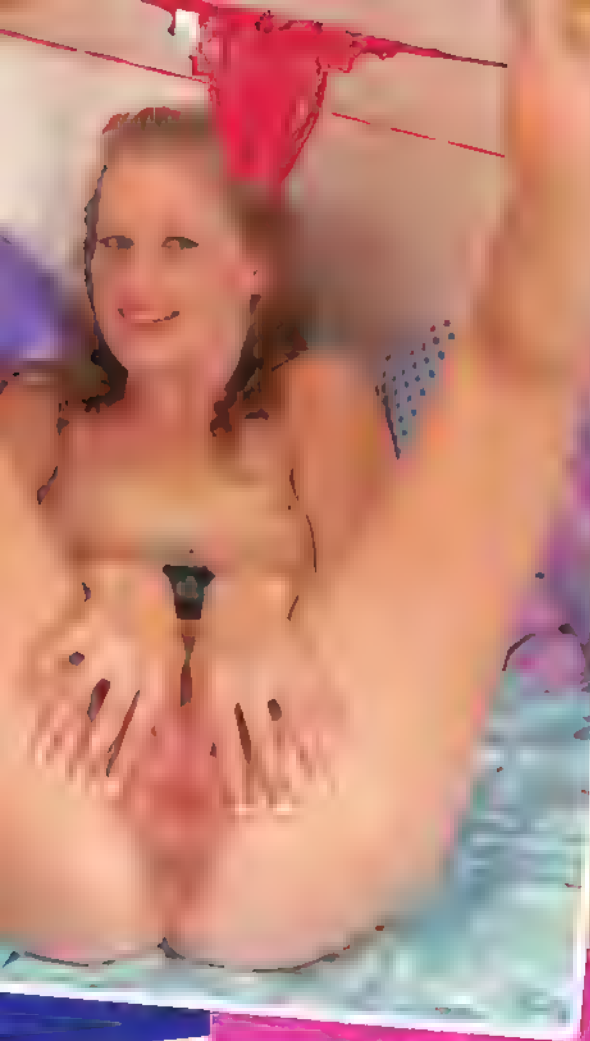

Yee-hah! Mad-for-it Macclesfield lass Maddy has just taken up line dancing – of the horizontal variety. At sex parties she swaps partners quicker than you can say dose-y-doh and knows a few crafty moves to bring a bloke off. "I like to straddle a fella and ride him good and proper. Then just when he's about to cum I'll lean right back and slow down the pace. Most men can't handle it and have to flip me over and finish off doggy-style. They ram it home and spunk inside me but I'm far from satisfied so I just go to the next bloke. Last week I let four fellas do me in a row but it still took me ages to orgasm. When I came they certainly knew about it!"

Liz was doing the same on the other side and went one step further by unzipping his flies and sticking her hand in.

Suddenly the guy's back stiffened and his hand clasped my head tightly as he pumped my mouth full of his sticky cum.

When Escort regular Natalia (see her on p. 23) put an ad in the *Shrewsbury Chronicle* seeking a new flatmate she had no idea the first response would be from Kyra, a kinky lass who was more than curious about Nat's vocation. "When I moved in, Natalia showed me all the magazines she'd been in and asked me if I was alright with it. I couldn't believe my luck, not only was my new flatmate a proper stunner she was also a total dirtbag – just like me. We've spent a lot of time getting to know each other, in fact I've had twice as many orgasms as I would have had if I lived with a fella. I can see us having some really wild parties soon – want to join us?"

"I like a
tongue to
get right in
there!"

She might have fingerless gloves but she's never got a fingerless fanny. Dirty Durham lass Amber likes to dress up for her daily strum — just in case any nosy neighbours are watching. "When it comes to pleasuring myself I have a daily routine," says the horny housewife. "At noon I'll put on my fanciest underwear, make myself comfortable on the bed and then begin to give my twat a good thrashing. It's about the same time the bloke across the road comes home for lunch so if he's lucky he sometimes gets a glimpse of me giving myself an orgasm. And if he can't see it happening he can definitely hear it!"

REAL WIFE SEX

Chanelle's story continued from page 21

her face with my cum but she didn't let up. She licked my fanny lips with even more effort.

This had obviously got Dave really turned-on because he walked over to the bed and offered Nancy his cock. She was on it straight away, licking the bell-end and squeezing his balls.

I moved over to get a piece of his dick. I knew Dave had never had two women sucking his cock at the same time so he must have been well chuffed. Judging by the broad smile on his face, he was.

When Nancy licked his knob, I went for his balls. Then we would swap over by running our tongues up either side of

his shaft and occasionally stopping to tongue each other.

I reckon Dave would have been happy if he came over our faces right then but there was no way we were getting another girl involved and not having Dave fuck her pussy.

Taking control I ordered Nancy to get on all fours. I sat in front of her and asked her to lick me out while Dave got behind her.

He took her doggy style and started banging away as she began munching on my pussy again. I pulled her head close to my twat and wriggled as she lapped away.

Dave was shouting out all sorts of

filthy things and telling us how much he was enjoying fucking two such horny bitches.

I looked him straight in the eyes and told him how good Nancy's tongue felt on my twat.

Nancy just continued being the filling in our sandwich, doing her best to make

me cum for a second time.

I could feel myself getting close to orgasm but I wanted Dave to make it happen so I pulled away from Nancy. I turned over on to all fours next to her and asked Dave to finger me.

As he banged away at Nancy from behind, he stuck two fingers up my twat and friggd it just as fast.

My pussy was already soaking wet

and squelching noises filled the air along with Nancy's groans and Dave's grunts.

I was just about to cum when Dave took his fingers out of my twat and replaced it with his cock. He stuck it right up to the hilt and with a couple of powerful

thrusts it set me off.

As I began to wail with ecstasy Dave groaned loudly and the next thing I knew my cunt was being flooded with his own sticky mess.

He pounded into me until his cock was spent and when he pulled out Nancy was there in a flash to lick up the combination of our juices.

As Dave sank back on the bed my attentions turned to Nancy again. We snogged, swapping juices and then had another 69 session until we both came again.

When Nancy eventually left, very late in the evening, Dave told me he was very grateful for letting his fantasy come true.

I told him I had enjoyed it just as much and said I'd love Nancy to join us again. And maybe she could bring another fella with her.

As irresponsible as it sounds I'm hoping Dave doesn't get another job too soon! ☺

Tammie

Tammie

There's a lot of talk of swine flu vaccine Tamiflu at the moment. Which got us thinking in between luncheon pints what sort of virus Tammie-flu would be. We're guessing Tammie-flu symptoms include heavy breathing and an unsightly swelling in the crotch, lasting for the rest of the day after seeing these pictures. Massage of the swelling can relieve these symptoms, although have clean dressings ready for any leakage. Failing that, try to get Tam to suck you off — it's not like she can catch anything, is it?

My girlfriend Nikki is really cool with me fucking other girls – just as long as I tell her all about it.

Last week, I'd been fucking Lisa, a young tart who worked in my office. We'd waited until everybody had gone home and then I was fucking her over my desk.

When I arrived home later that night Nikki started sucking my dick.

She instantly said she could taste another girl's pussy. She wanted to meet Lisa.

When Lisa came round to our place Nikki said she wanted to see me fucking my new mate. So we went upstairs to the bedroom, got undressed and I let Lisa get on top of me.

"Suck his cock first," demanded Nikki. Lisa took my boner into her mouth and began giving me a blowie.

I looked over at Nikki who was already turned on by what she was seeing. She had her hand down her knickers and was clearly fiddling

with her clit.

"Now I want you to lick Lisa's pussy," Nikki said.

Nikki, Telford

Contact me

I pulled her chubby legs round my head and stuffed my tongue into her tight little gash.

After a while, Nikki ordered Lisa to ride my cock. I was disappointed that she had taken her pussy away from my mouth but that was soon forgotten when she slid onto my cock.

At this point Nikki joined us. She squatted over my face and lowered herself down so I could taste her pussy.

Although I couldn't see a thing I knew Lisa and Nikki were probably snogging.

Eventually I made Nikki cum with my tongue and when

Nice work!

My fella Kevin loves it when I do the chores around the house naked.

He says everytime he sees me trotting about in the nude it gives him a hard-on.

It usually ends up with him getting horny and wanking all over me while I'm trying to get stuff done.

Last week he'd popped out just as I'd started doing

the chores. I had a big pile of ironing to do and happily did it with no clothes on.

I had almost finished when I heard the front door open. I stood there waiting for him to come in the kitchen.

Imagine my surprise when the door opened and I saw he was with his mate, Steve.

I was well embarrassed and tried to cover myself up but I'd just been ironing my smalls so they didn't really do the job.

£90

Steve grinned while eyeing me up and down. Kevin followed him into the room and didn't look at all bothered.

"Since he's seen you in the nude you may as well fuck him," Kevin joked. Only he wasn't joking.

"Are you sure?" Steve asked. Kevin nodded and then asked if I was OK with it.

Well, it was a bit unexpected but it might be fun so I nodded too.

I got Steve to follow me into

the lounge and told him to pull his trousers down and sit on the sofa.

I bent over him and took his cock in my mouth. It began to swell and it wasn't long before it was rock solid.

As I was sucking Steve off, Kevin came up behind me and buried his face in my twat.

I'd never been between two blokes before and the thought of it really turned me on.

As Kevin's tongue delved

the orgasm had subsided she climbed off me, told Lisa to get off and turn round so she could lick her cunt.

As my girlfriend buried her face between Lisa's legs I moved to the other end and slipped my hard cock right in her mouth.

Nikki's persistent tonguing caused Lisa to cum. She moaned and groaned – still with my cock in her mouth.

Minutes later I came too,

spurting my load down Lisa's throat as she tried to calm herself from such a mind-blowing orgasm.

As I fell back on the bed, strands of my remaining cum were dripping from Lisa's mouth so Nikki got stuck in licking her face.

Now Nikki insists we invite Lisa round to ours at least once a week. I've certainly no objections! Scott, Telford.

deeper I sucked harder on Steve's dick.

His cock suddenly exploded in my mouth and flooded it with his cum.

I couldn't contain it all as it seeped out my mouth.

Seeing that my mouth was empty Kevin dropped his trousers and offered me his cock. I gobbled it up and gave him a blow-job like he'd never had before.

Well, he'd never had me suck him off just after one of his mates had cum in my gob.

Eventually Kevin added to the cum quota when he spunked his load.

I swallowed the lot and then got on with my chores. Needless to say that wasn't the last I saw of Kevin and Steve that day. Emily, Leeds.

Club rub

My wife Suzie and I had only been swinging a few months when we took our first trip to a club. In the taxi there Suzie was flashing at the driver.

When he dropped us off he

was naked and rubbing herself up against him.

He didn't get a chance to fuck her though because the excitement caused him to cum too early.

I wanted to fuck Suzie now so I led her to one of the couples rooms, knowing too well

asked if he could have a rub of Suzie's twat.

She let him finger her juicy cunt and he said he would let us off the fare and pick us up later.

We got comfortable in the club then the music took hold of Suzie. She started gyrating on the dancefloor, pulling up her skirt to reveal her knickers underneath.

I started feeling her up and saw there was a guy watching us at it. He started rubbing himself up as I ran my hands over Suzie's body.

I let the guy have a rub of Suzie and pretty soon she

we'd have an audience there.

On the way we invited a bloke to join us. Suzie started off by sucking his cock while I fucked her from behind.

Then she lowered her fanny onto his cock and rode him until he came inside her.

To finish off Suzie and I got in the giant hot tub with another girl and a black fella. Suzie had two cocks in her hand and finished us both off before we called it a night.

Unfortunately we didn't get the same taxi driver so I had the pleasure of Suzie all to myself once we got home. James, Glasgow. £
